5) The question of abolition of Ration and Clothing allowance , Duty, House Rent and Sex allowances, etc.

G.O.78-7/12.7.

---

1. Ration and Clothing Allowance.

The grant of ration and Laundry Allowances to the Matron of the Krishnarajendra Hospital, Mysore, is governed by special order of Government; likewise the ration allowance of the Matron of the Victoria Hospital, Bangalore. These allowances have to continue. As regards allowances to the Matrons in other Institutions, Assistant Matrons Nurses, etc., I may suggest a uniform scale of Rs. 0/- each [illegible] (exclusive of the clothing allowance of Rs.2½ each), in lieu of Rs.20/- in the case of an Anglo-Indian & Rs.10 for Indians. This revision is estimated to result in a savings of of about Rs.4,920/-

2. Duty Allowance. This allowance is granted for work done outside the normal duties as contemplated in G.O.No.Fl.2 20-70 S & A 123-31-1, dated 2nd October 1931. The Officers in receipt of the allowance in this Department are expected to remain in the Hospital continuously during the day and to take night duty also two or three days in a week. This allowance has therefore to be continued as already explained in my letter No. G.O.78-7 dated /— 12 — 1931.

3. House Rent. Only Lady Sub Assistant Surgeons are allowed house rent in certain institutions, where no quarters are provided. The allowance is of the nature of a privilege attaching to the cadre and has therefore to be continued. In other cases

the allowance is limited to officers who are required in the interests of their duties to reside in close proximity to the Hospital. The allowance paid to the menials of the Krishnarajendra Hospital, Mysore, belongs to this class and is ~~[illegible]~~ in lieu of the free quarters they were provided for a long time. The allowance has therefore to be continued.

4. Sex Allowance.

There is a separate file on this subject D 2163/31

At present only 3 Lady Apothecaries and 5 Female Compounders are in receipt of this allowance. These are all old hands. One of the Lady Apothecaries has already been retired and two others are likely to be retired within the next two years. The allowance will be abolished in the case of future incumbents in accordance with G.O.No.L.7301-3/Med. 129-21-2, dated 13th June 1922.

5. Special Locality Allowance. The recent orders of Government No. F.1.2320-70 S & A 123-31-1, dated 2nd October 1931 will be adhered to.

GENERAL SECRETARY. 7 DEC. 1931 No.

6. XRay Allowance. This allowance is not drawn at present in the Victoria Hospital and Princess Krishnajammanni Sanatorium, Mysore. No provision is necessary so far as these institutions are concerned. As regards Krishnarajendra Hospital, the allowance may be continued until the return of Mr. A.C.Devaraj from deputation when the question of abolishing it may be considered.

7. Allowance to the Clerk at Ayurvedic College;
8. Do. Part-time Science Lecturer and
